

The River Starts Here

A Southeast Minnesota water workshop for educators

June 21-22, 2018, Whitewater State Park

About the workshop:

The River Starts Here is a collaborative project of the Minnesota Department of Natural Resources to provide educators with the resources to use water as a context for learning in the classroom—while addressing Minnesota academic standards in science, social studies, and language arts.

Registration: \$35, Limit: 50

Priority registration will be given to science educators within Winona, Wabasha and Olmsted Counties. 10 full scholarships available.

For more information, or to register visit:

<https://friendsofwhitewater.weebly.com/teacher-workshop.html>

Participants will Receive:

- Instruction and hands-on participation in water-based education activities, indoors and in the field
- Sample lessons from MinnAqua, Project WET, Project Learning Tree, Project WILD, and River of Dreams curricula
- Introduction to ESRI Story Mapping and WHAF online technologies
- Tour of the Whitewater Watershed
- Catered lunch from two local farms
- Annual Minnesota State Parks Vehicle Permit valid through June, 2019 (\$35 value)
- 16 CEUs
